"If you are looking

for a powerful conference filled with hope and healing look no further than *Arrested by Mercy*. The women and men involved in this beautiful day of reflection, prayer, and testimony touch upon the many wounds of countless brothers and sisters who are trying to cope in today's toxic culture. *Arrested by Mercy* shows us that no one is out of God's reach, no matter how great the sin. Jesus is the answer and those giving this retreat point participants in the right direction; directly to the foot of the cross."
