We are proud to introduce ourselves as the Holy Land Carvings group from the Holy Land. We have come to the United States representing the Christian wood carvers of Bethlehem that rely on the tourism to support their families.

Due to the bad situation and the interruption of the tourist trade, thousands of families in the Holy Land are in danger of having to leave their homes in search of work. Our mission is to bring and sell the Olive Wood Carvings to the catholic Churches in the United States to help the Christian families remain in their homes and support their families. These Christians who make their livelihood through the selling of their hand carved Olive Wood religious items are depending on us to bring these beautiful carving, such as Nativity Scenes, Crucifixes, Rosaries, Statues, Picture of the Last Supper, and several other religious items to you.

Please look over these carvings that are available to you at the weekend of November 6th & 7th to help support this self-help project that enables to keep the Christians present in the Holy Land. Your help and understanding in this crucial matter are greatly appreciated. If you have any questions, please feel free to contact us by phone or e-mail listed below. Thank you.

**“But as for me I am like a green olive tree
in the house of God I trust in the loving
kindness of God forever and ever.”**

-Psalms 52:8

The olive tree is a symbol of peace, beauty, longevity, and healing. Artists in Bethlehem and Jerusalem are very aware of the significance of olive wood and take great care in crafting the finest works from these sacred trees. We are proud to offer some of the finest examples of olive wood artistry direct from Jerusalem and Bethlehem.

The olive wood crafts have been inherited over several generations of Bethlehem's population. Many Christians living in the West Bank make their living selling Christian olive wood souvenirs.

Buying through “Bethlehem Christian Families” is a way to help the Palestinian Christian, members of Christ's Church with the rest of us, earn money to support their families and maintain their work.
