Even though there will

be no Masses or  
confessions at St. Anthony Thursday this  
week, March 14, all Mass requests  
scheduled through the Parish Office and  
listed in "Mass Schedule" column on page  
2 of the bulletin are indeed offered. "No"  
Mass, followed by an intention indicates  
that while Mass will not be offered at St.  
Anthony, Fr. Slaton is still offering Mass  
each day, using this list of our Mass  
requests for the intention.

## Everyday Stewardship

Awake, O Sleeper!

This morning came a little earlier than I would have liked — Daylight Savings Time always does. Sometimes that morning sunlight seems more intrusive than illuminating. You're still half-lost in sleep, and that sun is demanding of you a lot more than you're ready to give.

I've said it, and I'm sure you've said it, too. "Just five more minutes." You hit the "snooze" button on your iPhone once (maybe twice? Show of hands?) and turn away from the window.

So many kings of the Old Testament were steadfast in their sleepy ways, rejecting the light their God tried to share with them. Likewise, John tells us that, though Light — Christ — was sent into the world, the world preferred darkness.

Sometimes it seems, when reading through Scripture, that all throughout salvation history, God has been trying to pull back the curtains, to rouse us from our defiant slumber. And we resist Him. Time and time again, we resist Him.

Light brings a certain responsibility with it. It seems to compel productivity. Furthermore, there's no hiding in the light. Any photographer worth his salt knows how to manipulate it, highlighting the good and casting some merciful shade on the bad.

As we enter into the fourth week of Lent, we're getting so close to the main event. Can we handle the light that will come on Easter morning, bursting into the tomb as the stone is rolled away? Can we keep ourselves from hitting the "snooze" button on our souls, and sit up to face the dawn of a new day?

## GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

March 10, 2024 - Fourth Sunday In Lent

Our national pastime isn't baseball. It's what the Bible calls "condemning the world." We generally enjoy pronouncing curses upon those whom we see as trouble, wrong, or evil. Don't believe me? Listen to almost any podcast, cable news network, or social media platform to hear it. It will be some version of: "We all agree that if they are eradicated, things will be great." Condemning is almost always clothed in virtue. It basks in its good intentions. That's why it is so attractive. Condemning seems like our best path to saving what is good.

What a shock, then, to hear Jesus announce: "For God did not send His Son into the world to condemn the world, but that the world might be saved through him" (Jn 3:17). He comes to save the world, as we all want, but he will accomplish it without an act of condemnation. How hard it is to accept this! Condemning feels godlike. I judge who and what must be lost to protect the good. But in the light of Jesus' endless mercy and love, this is the least godlike thing we can do.

Lenten challenge: This week, I invite you to give up the delicious experience of condemning whomever in the world you most would like to see gone. Perhaps write down their names. Secondly, I invite you to consider fasting from any media that feeds the tasty but deadly tendency to condemn.

— Father John Muir ©LPi

## ***Jesus and the Jewish Roots of the Eucharist***

*Here are some pics and info from Part 1 of Our Lumen Christi Lenten Series: Jesus and the Jewish Roots of the Eucharist held at St. Anthony. Thank you to all who helped make this event such a beautiful experience!!! We will look to take pictures at each location and we do expect that attendance will continue to rise as we had several say they couldn't attend the first evening but they would be at the final two. We also have word of mouth advertising and encouragement happening from all who attended. Everyone was quite satisfied, happy with, and thankful for this series, the interactivity and for having such a knowledgeable, good Priest to answer their questions. Participants made these positive feelings very well known by clearly voicing their joy and satisfaction on their way out--and we all stayed a bit past 9:00pm as so many enjoyed actively participating in the evening.*

*We had more than 120 people attend--we stopped counting at that point but know a few more quietly wandered in after that count. We expect to set-up for 150-200 again at St. Joseph.*

*The kids loved creating and decorating our paper prayer chain links (In fact, the chain already has 67 links/prayers!!!). And, kids (as well as some adults) enjoyed the Lenten themed activity and coloring sheets while listening to the video by Dr. Brant Pitre. It seems working in creative, soothing ways with one's hands helps kids of all ages be better able to concentrate, absorb, and retain more information. So, that's neat!*

***The 2nd Part of Jesus and The Jewish Roots of the Eucharist will be held on Saturday, March 9th in the Cafeteria at St. Joseph Erie. The event starts at 6:30pm with doors opening and Refreshments beginning to be served around 6:00pm.***

*Please know that even if you missed Part 1 of this series, you will still be able to walk in easily and fully pick-up, understand and enjoy Parts 2 and 3.*

*We will have brief recaps at the beginning of each upcoming session to aid in this.*

# Catholic Services Appeal - 2023

Dear Friends in Christ,

Each year, all parishes in the Archdiocese of Detroit embark upon the CSA (Catholic Services Appel) Drive. The CSA is a required collection taken up for the general operational expenses of the Archdiocese of Detroit. It helps to subsidize Catholic institutions that may not necessarily be connected to or funded by a particular parish. Among these special services are Campus Ministry, Telecommunications, Hospital and Prison Chaplaincies, Central Service Offices, which provide direct assistance to individual parishes, the Marriage Tribunal, and the like. Since the CSA provides for 62% of the operating budget of the Archdiocese, we are assessed or taxed a specific amount we are asked to meet. Our assessment is based upon many factors, including parish registration, Sunday collections, and financial status of the area within our parish boundaries. The detail of how our assessment is calculated, as well as how the money is used may be found on the insert included with today's bulletin.

The amount assessed to St. Anthony Parish this year is **\$38,555**. In order to reach our goal, the recommended pledge amount will be **\$250** from each family.

For your convenience, pledge forms can be found at the bottom of this page. Please complete the form and designate the amount of your pledge and the payment plan you prefer and return to the Parish Office. Pledges may also be made by calling the Parish Office 734-854-1143; sending your pledge via email ([stanthony@bex.net](mailto:stanthony@bex.net)) or by stopping by the Parish Office during regular business hours.

Your pledge can be made in several ways: paid in full and returned with your pledge form; a down payment returned with your pledge form, with the balance divided into quarterly payments, or divided evenly among 9 monthly payments. Credit card and automatic withdrawal payments and electronic funds transfers (EFT) will also be accepted. If you wish to contribute this way, please go to: [give.aodcsa.org](http://give.aodcsa.org). Please select "St. Anthony, Temperance" on the online form where indicated. Donors may also call (888) 331-8695 to make an online or EFT request.

**Please note: If you sign up to make payments on your pledge, the payment schedule will not begin until July 2023.**

Please remember that we are required to make an accounting of all CSA cards for our Parish, so even if you are unable to pledge, we ask that you indicate that to the Parish Office as well.

I am grateful for your continued stewardship and prayers.

God Love you!

Father Robert J. Slaton  
St. Anthony Parish
