My Dear Brothers and Sisters in Christ,

As most of you have likely been made aware, the Archdiocese has released their updated restructuring proposals for the Pastorate Models. It is also likely that you are aware of the results that these proposals hold for St. Anthony. Two new proposals were released for Monroe County; both proposals suggest that St. Anthony be regulated to a "no weekend Mass location". I know that this news is disheartening, even heart breaking for many of us. The questions regarding the future and what this will mean for our parish and our own families are impossible to avoid. I would like to take a moment to offer you some practical and spiritual encouragement.

1st: I would like to remind all of you that being regulated to "no weekend Mass" status is not the same as a parish closure. The parish would remain open as long as it remains sustainable. Even a future that only foresees Masses during some week days and major holidays is substantially different from the parish being closed and the property sold.

2nd: These current proposals reflect the current thought process of the Archdiocese; these proposals are not final approved models. The Archbishop has stated clearly that he is continuing his discernment. As a reminder, final models will not be announced until April 2027.

3rd: We are still a parish of the Catholic Church. We, as souls reborn in the saving blood of Christ, still have a duty to acknowledge not only the authority of the Church, but also the blessing we have and are currently receiving. Thus, I would appeal to you to continue to support the parish for as long as we are blessed to have her. If, God forbid, we were to give in to the temptation to sever our support from St. Anthony; we would be making the decision for the Archbishop in advance. The parish cannot survive without our continued support, not even until the July implementation of the restructuring.

Finally, please be mindful of the horrible temptation to hear and participate in the gossip circle. I have already had some inquiries about possible early closures and property sales offers. All such rumors are without any foundation and should not be taken seriously.

In closing, I may not know what the future holds, but I do believe that our Lord has been pleased with the devotions, liturgical celebrations, faith and charity that has found its roots in our beloved little parish. Our Lord has always provided for the spiritual lives and faith of His flock, I do not believe that He will leave us without sufficient sources of grace. Our prayers and petitions should be lifted up for the continued faith life of our parish, but above all else, we ask for the grace to accept His Holy Will, regardless of what it may be. Let us pray for one another, that we do not lose hope and faith in His promises.

God love you,

Fr. Slaton
