**Masses, Intentions, etc.**

From time to time, you may see "Unscheduled Mass", or "No Mass" in the Mass Schedule column, with a Mass Intentions listed. These may occur during Holiday times when the Offices are closed, or during time that Fr. May be on retreat, vacation, etc.

"Unscheduled" Mass indicates that Mass will be offered at St. Anthony, but at the time of publishing, the exact time is unknown. "No" Mass, followed by an intention indicates that while Mass will not be offered at St. Anthony, Fr. is still offering Mass each day, using a list of our Mass requests for the intention.

I hope this alleviates any confusion; rest assured all Mass requests scheduled through the Parish Office and listed in the bulletin are indeed offered. Please don't hesitate to contact the Parish Office if there are any questions.

May God Bless you!

 Fr. Slaton continues to welcome items to be Blessed. Please bring any items to the Parish Office; if Fr. isn't immediately available, **PLEASE: be sure to leave your name and phone number** securely attached so we can contact you when the item has been blessed. Post-it notes and a pen are provided for your convenience.

**Spiritual Communion**  
*My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things and I desire to receive You in my soul. Since I cannot at this moment receive You sacramentally, Come at least spiritually into my heart. I embrace You as if You were already there And unite myself wholly to You. Never permit me to be separated from You. Amen.*

 **Christ Our Light Has Come!**

**THE PENNY CATECHISM**  
**HOPE - Chapter III**

**162. Who made the first part of the Hail Mary?**  
 The Angel Gabriel and St. Elizabeth, inspired by the Holy Ghost, made the first part of the Hail Mary.

**163. Who made the second part of the Hail Mary?**  
 The Church of God, guided by the Holy Ghost, made the second part of the Hail Mary.

**164. Why should we frequently say the Hail Mary?**  
 We should frequently say the Hail Mary to put us in mind of the Incarnation of the Son; and to honor our Blessed Lady, the Mother of God.

**165. Have we another reason for often saying the Hail Mary?**  
 We have another reason for often saying the Hail Mary - to ask our Blessed Lady to pray for us sinners at all times, but especially at the hour of our death.

## Gospel Meditation:

January 3, 2021

### The Epiphany of the Lord

“Where is that thing?” mumbled Bob as he searched frantically on his dimly lit desk for the current electric bill. “I know I put it right on top of these papers this morning!” Growing in frustration and bordering on anger, he flies stuff around, moves books and opines why simple tasks need to be so hard. Enter his wife, who calmly says, “Maybe it would help if you put the light on, dear.” The desk light goes on and lo and behold, there is the electric bill right where Bob left it earlier. All it took was a little light!

We stubbornly refuse to turn on the lights! Either we are distracted, determined, disinterested, preoccupied, stubborn, apprehensive, or all of the above. Or perhaps, we fail to do the obvious. We would rather live our lives with the dimmest of lights or even in total darkness. Why are we afraid to do something so that we can actually see? It might help us to find quicker and better answers to problems, the meaning of life, relationships, happiness, and what is ultimate truth. Yet, we stumble along, moving things from one side to the other, getting angry, feeling cheated, being unsettled, resigning ourselves to the agony of defeat once again.

“And behold, the star that they had seen at its rising preceded them, until it came and stopped over the place where the child was.” The light has come into the world in the person of Jesus Christ! We no longer have to fumble in the darkness. We have been gifted with the illumination we need to see our way through things and find what we really are looking for. All these years later, however, so many are still reluctant to accept him. Perhaps they are unconvinced, disinterested, preoccupied, stubborn, apprehensive, or all of the above. Everyone has their own reason for not wanting to turn on the switch.

But there are so many answers to so many of our problems in this humble Child of Nazareth. A simple birth teaches us about God’s tender wedded relationship with humanity. It speaks to the expanse of God’s salvation across the globe, and the incarnate Divine wonders and blessings that are a part of our life moment to moment. It calls us to understand the design of world order God intended as found in the Beatitudes, the sacredness of every human life and all of creation and the meaning of things we struggle with most, like suffering and death. We have a lot of Good News to share, not just with a privileged few but with all the world. All races and creeds can receive God’s healing word. God continues to manifest himself even now! Use the light to find what you are really looking for!
