Mass Intentions

St. Anthony Parish is truly blessed with the deep faith of her parishioners; one of the ways this is manifested is by the quantity of Mass Intention requests.

The Parish Office regularly receives an abundance of requests, showing an unquestionable faith in the merits of the Holy Mass.

Unfortunately, this has lead to quite a backlog of requests waiting to be scheduled. Ideally, Mass requests should be honored within a year of the request. This is getting more difficult to attain. We are currently scheduling well in to 2024.

The issue was brought to our Worship Commission; it was determined that, effective immediately, we cannot accept more than 25 intentions from any one person at a time. Any number more that will be sent to the missions at our discretion.

We thank God for the faith of our St. Anthony Parishioners. And we thank you for your understanding.

GOSPEL MEDITATION ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

April 30, 2023 - 4th Sunday of Easter

I recently rescued a dog. She's a terrier and rather adorable. And she's crazy about me. She could spend all day with me. But I'm a pastor at a parish and sometimes I leave her at the front desk of the church office. She constantly amazes me by her ability to distinguish between my voice and that of everyone else. If I say one word, even if I'm hidden around a corner, she'll sprint toward me and jump up into my arms.

This week the readings focus our attention to the voice of the risen Jesus Christ. Comparing his disciples to sheep and himself to a shepherd, he says, "They recognize his voice." He speaks to us and wants us to respond. When we hear his voice, we follow. Throughout this coming week, we will experience many interior promptings to receive God's love, and to love Him in return. That's his voice. Follow it into the safe and tender arms of Christ.

By contrast, some voices we will hear do not convey God's concern and love for us, but rather produce fear, despair, and other harmful mischief. Jesus calls these voices those of robbers. Does an idea or thought make it harder for you to love God? If so, run away. Let it go. It is most likely not the voice of the Risen Lord. Keep waiting for him to speak. You will recognize his voice. Then run to him as fast as you can.

We are accumulating a rather large collection of items that have been found in the church, Narthex, Office area in the past several months. For the next couple of weeks, we'll keep them in the Narthex for your perusal. Please take a few minutes to see if anything belongs to you. Anything not claimed by mid May will be either discarded or given to the Rummage Sale.

And while we're on the subject of losing things...the article below seemed timely.

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

St. Anthony Can Find Anything — Even You

"Tony, Tony, come around! Something is lost and it must be found."

Did you learn this one when you were a kid? In my experience there are even a lot of lapsed Catholics — or people who were never Catholic at all — who know that when you lose something, St. Anthony becomes your best friend. Missing keys? Pray to St. Anthony. Can't find your favorite sweater? St. Anthony. Forget where you parked your car in the mall lot? St. Anth— okay, you get the idea. Whatever it is, large or small, important or trivial, Tony has a reputation for finding the lost things.

It's a devotion that can seem a little like superstition — witchcraft, even? — if you don't really understand it. Mumble an incantation to a dead guy and you're guaranteed to find your sunglasses. But as with most traditions that are old, beloved and effective, looking a little closer reveals the truth of the matter.

When we lose something really important, what do we do? We make the whole household stop what they're doing to join the search. Having St. Anthony as a friend means you ask him to stop what he's doing to help, too. And how he helps is by taking the matter exactly where all matters need to go — straight to the feet of Christ.

Here's the real genius of St Anthony: he takes the most mundane, commonplace occurrence — misplacing socks — into an encounter with the divine and truly all things great and small are gifts from God. He grabs our hand and points to the cross. "That's what you're looking for," he tells us. In the end, Tony doesn't really find the lost things. He finds the lost people.
